WHERE PATIENTS COME FROM

Most individuals served in TCU are admitted from Lincoln-area hospitals with a small percentage from Omaha or other regional hospitals.

EXPECTED OUTCOMES

While individual results may vary, last year **250** individuals (77%) were discharged to a community setting, which exceeds the goal of 75%.

TRANSFERS TO ACUTE

St. Jane de Chantal's clinical staff is on-site 24 hours a day, 7 days per week. Clinical staff are trained to respond to any medical emergency.

Last year, **38** individuals (14.5%) had unplanned returns to acute care. Most were able to return to St. Jane de Chantal to finish their program.

HOW OFTEN WILL I SEE A DOCTOR

You will be seen by an internal medicine physician at least twice during your stay, more often if there is a need. Other specialties, such as orthopedics, pulmonology, wound and others are also available.

ACCREDITATION

Madonna St. Jane de Chantal Long Term Care is the only Skilled Nursing Facility in Nebraska to receive the highest possible level of distinction from the Commission on Accreditation of Rehabilitation Facilities (CARF).
